Dear Former, Current, and Future Golden Oak Students:

Learning is an Adventure – and it should be! As you continue along the path of life, we hope you will consider being a Life Long Learner (as our tagline puts it), and experience the adventure and opportunities that are waiting for you at Golden Oak.

Golden Oak strives to maintain a variety of options for our community. Whether you are looking to brush up on your academic basics, earn a high school diploma, improve your skills in English, or take advantage of a wide array of personal growth and enrichment classes, our staff is available and anxious to help you grow.

Also, as a further point of information, Golden Oak, College of the Canyons, and various other partners in Santa Clarita who provide adult education have joined together under the provisions of Assembly Bill 86 to form an Adult Education Consortium. This new relationship will continue to evolve over the coming years, but is designed to provide more options and greater accessibility for adults seeking education in our community. You will note some information already appearing in this brochure as we coordinate offerings with COC.

So don't be shy – come on by!

All the best to you and yours this fall, and into the Holiday Season!

Sincerely,

Principal Ron Rudzinski,

And our dedicated Golden Oak Staff

A Note of Special Thanks to our community “Friends of Golden Oak” for their time and support:
